The proper combination of Password and PIN will be referred to as the “Access Code.”

The Bank will permit access to the Funds Transfer Accounts to an individual who has the Access Codes. In order for the Bank to maintain the security of the Funds Transfer Accounts, the Access Code is used by the Bank to identify the individual authorized to obtain access to and make transfers between Funds Transfer Accounts. You agree not to reveal your access code to any individual who is not authorized to have access to the Funds Transfer Accounts. By signing this Agreement, you agree that it will be conclusively presumed that any transfer between the Funds Transfer Accounts using NetTeller was done with your actual authority if done by you or any individual who was furnished your Access Code.

By signing this agreement, you acknowledge receiving a copy of the disclosures. A request for a transfer of funds between the Funds Accounts occurring after 5:00 P.M. will be posted the following business day.

Either you or the Bank may terminate this agreement at any time. In the event of termination, the rights and obligations of each party shall terminate. Only funds which are available, in accordance with the Bank’s Funds Availability Policy, can be transferred between the Funds Transfer Accounts.

In making electronic transfers between the Funds Transfer Accounts, the bank shall have no liability whatsoever to you for any special, general, direct, indirect, or consequential damages. (a) Terminal Transfers. You can get a receipt at the time you make a transfer to or from your account using a(n)

- automated teller machine
- point-of-sale terminal.

You may not get a receipt if the amount of the transfer is \$15 or less.

(b) Preauthorized Credits. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at the telephone number listed below to find out whether or not the deposit has been made.

(c) In addition,

You will get a monthly account statement from us, unless there are no transfers in a particular month. In any case you will get a statement at least quarterly.

You will get a quarterly statement from us on your savings account if the only possible electronic transfer to or from the account is a preauthorized credit.

If you bring your passbook to us, we will record any electronic deposits that were made to your account since the last time you brought in your passbook.

PREAUTHORIZED PAYMENTS

(a) Right to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here's how:

Call or write us at the telephone number or address listed in this disclosure, in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

We charge \$30.00 for each stop payment.

(b) Notice of varying amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

(c) Liability for failure to stop payment of preauthorized transfer. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

FINANCIAL INSTITUTION'S LIABILITY

(a) Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- ◆ If, through no fault of ours, you do not have enough money in your account to make the transfer.
- ◆ If the transfer would go over the credit limit on your overdraft line.
- ◆ If the automated teller machine where you are making the transfer does not have enough cash.
- ◆ If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- ◆ If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- ◆ There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4) if you give us written permission.
 as explained in the separate Privacy Disclosure.

UNAUTHORIZED TRANSFERS

(a) Consumer Liability. Tell us at once if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission. Also, if you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period.

Visa® Debit Credit. Additional Limits on Liability for _____.

Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Visa card. This additional limit on liability does not apply to ATM transactions or to transactions using your Personal Identification Number which are not processed by Visa. Visa is a registered trademark of Visa International Service Association.

MasterCard® Debit Card. Additional Limits on Liability for _____.

You will not be liable for any unauthorized transactions using your MasterCard debit card, when used for point-of-sale transactions, if: (i) you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft, (ii) you have not reported to us two or more incidents of unauthorized use within the prior twelve-month period, and (iii) your account is in good standing. If any of these conditions are not met, your liability is the lesser of \$50 or the amount of money, property, labor, or services obtained by the unauthorized use before notification to us. "Unauthorized use" means the use of your debit card by a person, other than you, who does not have actual, implied, or apparent authority for such use, and from which you receive no benefit. This additional limit on liability does not apply to ATM transactions or to transactions using your Personal

Identification Number which are not processed by MasterCard. MasterCard is a registered trademark of MasterCard International Incorporated.

(b) Contact in event of unauthorized transfer. If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed at the end of this disclosure. You should also call the number or write to the address listed at the end of this disclosure if you believe a transfer has been made using the information from your check without your permission.

ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days if involving a Visa® point-of-sale transaction processed by Visa or 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days if involving a Visa point-of-sale transaction processed by Visa or 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made, if you are a new customer.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.
